Summary

Creative and detail-oriented Full-Stack Developer passionate about building high-performance, user-centric web applications. Experienced in developing modern UIs and scalable backends using Next.js, TypeScript, Tailwind CSS, and Node.js. Skilled at integrating Stripe and Firebase for secure and dynamic applications.

Technical Skills

Frontend: Next.js, React, TypeScript, JavaScript (ES6+), Tailwind CSS, shadcn/ui

Backend: Node.js, Express.js, REST APIs, MongoDB, PostgreSQL

Dev Tools: Git, GitHub, VS Code, Postman, Vercel, Docker

Integrations: Stripe Checkout, Firebase Auth, Cloudinary, SendGrid

Others: Zustand, React Query, Framer Motion, Responsive Design

Experience

Full-Stack Developer (Freelance) — Remote | 2023 – Present

- Designed and developed full-stack applications with Next.js, TypeScript, and Tailwind CSS.
- Built secure payment flows using Stripe Checkout with server actions in Next.js.
- Created reusable UI systems with shadcn/ui and optimized state management using Zustand.
- Deployed projects to Vercel, ensuring fast performance and high Lighthouse scores.

Frontend Developer (Intern) — Tech Studio Africa | 2022 – 2023

- Translated Figma designs into responsive, accessible user interfaces.
- Optimized frontend performance by 30% through refactoring and lazy loading.
- Collaborated with backend developers to integrate authentication and data APIs.

Selected Projects

E-Commerce Checkout App — Next.js, Stripe, Zustand, shadcn/ui, Tailwind CSS

Developed a full e-commerce checkout flow with cart management and Stripe payment integration. Built responsive UI using shadcn/ui components.

Developer Dashboard — React, Chart.js, Firebase, Tailwind CSS

Created an analytics dashboard with Firebase real-time data, authentication, and data visualization with Chart.js.

Education

HND Electrical Engineering — Federal Polytechnic Ilaro (2025)

Certifications

- JavaScript Algorithms and Data Structures – freeCodeCamp (2022)

Soft Skills

Team Collaboration • Problem Solving • Adaptability • Time Management • Communication
